

2022 Fall Pool Closing Agreement

Please return BOTH PAGES of this form to reserve your spot! Send completed forms via email at service@burnettpools.com or fax to 330-372-1723.

To Our Valued Customer—

Thank you for considering Burnett Pools Inc. to prepare your pool for the winter season. We recommend that you bring a sample of your pool water to our retail store for testing prior to our Service Department closing your pool. Our retail staff has been thoroughly trained to explain and review balancing and winterizing chemicals. Please call our Service Department with any questions.

We require a \$200.00 deposit Orders will be processed in the order in which they are received with a deposit and signed contract. Payment in full is required upon completion. You will be notified once your closing has been scheduled.

Please Note: With this agreement, the customer acknowledges that Burnett Pools is providing a service only. **THIS AGREEMENT DOES NOT CARRY ANY WARRANTY AGAINST FREEZE DAMAGE TO POOL, POOL EQUIPMENT, UNDERGROUND LINES, OR WATER CLARITY.**

CUSTOMER RESPONSIBILITIES BEFORE WE ARRIVE:

- Bring a water sample into our retail store for final water testing and balancing 4-5 days before your scheduled closing date. All necessary balancing and closing chemicals must be added before closing while pool is still circulating.
- Chemically clean filter media, if needed, 2 days before closing.
- Vacuum pool, brush walls and bottom, and remove all debris from inside pool. Solar covers must be off the pool and already stored so pool water can cool down.
- Pool deck and surrounding areas must be clear of all toys, games, floats, patio furniture, tables, animal waste, etc.
- Walk in steps must already be removed. Most steps need to be lifted out from inside the pool, which cannot be done at the time of closing.
- All pool closing items including, but not limited to, pool cover, leaf net, water tubes, plugs, gizmos, etc. must be at pool side before arrival. If those items are not accessible, you will be billed for new ones.
- The pool water level must be lowered 2" below the skimmer opening except for Utopia Pools, Radiant Semi-Inground pools, 1-piece Fiberglass pools, or otherwise instructed.
- If your water level is not lowered upon arrival, we will, either lower the water and you will be charged a \$150.00 service fee, or we will be forced to reschedule your closing at our availability, and you will also be charged a \$100.00 reschedule fee.
- Any pool closing that need to be rescheduled without a 48-hour notice will be assessed a \$100.00 reschedule fee.

Please see next page to sign and date your form and for additional winterizing items to consider (not included in the above pricing)!
